The draw is usually done by a committee composed of a member of the administration, a representative of the Governing Board (GB), a staff member and a student (member of the student council). In the current circumstances, it is possible that the draw may be conducted via virtual draw sites, but still in the presence of community representatives, virtually as well.

Following the admission process, a letter of acceptance, refusal or hold is sent to applicants at the end of November 2020. The parent must confirm registration within a reasonable period of time (10 days).
